## 5 Days - 14 Dives

The 5-day Bali dive package is very popular with our divers. In just 5 days you will get a taste of the richness and diversity of Bali's dive sites. This package has 14 dives in Bali, including two dives at the Menjangan National Park in northwest Bali, the unmissable Liberty wreck in Tulamben (both day and night dives), 3 dives in Amed with its relaxed atmosphere, Padang Bai also great macro and finally a day of diving in Nusa Penida to meet manta rays and the famous Mola-Mola (in season). This package is the ideal compromise between short time and many dives. Many of our divers choose this option so they have time to relax and explore Bali on land after 5 days of diving. Bali Aqua offers diverse dives in Bali, in a safe, secure, organized environment.

### MENJANGAN

#### Day 1 : 2 Dives

- We will pick you up from your villa or hotel in the South of Bali and bring you to our dive center in Sanur. Here we will complete paperwork and try on equipment. Then we will depart for Menjangan in our air-conditioned vehicle (± 3h30 from Sanur).
- Arrive in the harbor of Labuan Lalang and board a traditional outrigger boat for a (± 30 - 40 minute) ride to our first site.
- Our first dive is at Garden Eel, a fabulous drop-off ending on a white sand bottom with thousands of garden eels.
- Lunch will be on the island with a view of the volcanoes of Java. After, we can spend time relaxing on the white sand beach.
- Our second dive will be at Bat Cave (depending on conditions) - a superb drop-off full of surprises.
- After dive 2, we check into the hotel to enjoy the swimming pool and the hotel garden.
- Dinner in a small local warung (restaurant) (not included in our rates).
- Night at the Pemuteran Hotel (air conditioning, hot water).

#### Options :

Extra Day/Night - 2 dives in Gilimanuk

Extra Day/Night - 2 dives at Puri Jati

Extra Day/Night - 3 dives in Pemuteran

**+2.400.000 IDR diver/day**

### TULAMBEN

#### Day 2 : 3 Dives

- After breakfast, we check out of the hotel and depart for Tulamben (± 3h drive).
- We begin with a morning dive on the famous USAT Liberty wreck. The dive starts with a shore entry from the pebble beach. We begin the diving on the black sand looking for small creatures, then spend the rest of our time exploring the wreck.
- Lunch at the Hotel restaurant with a view of the sea.
- The second dive is on the Tulamben Wall, "Drop Off." Beautiful topography and unique marine life.
- The third dive is the Liberty Wreck night dive. The wreck provides a stunning backdrop to explore by torchlight!
- Dinner in a small local warung (not included in our rates).
- Night at Tulamben Hotel (air conditioning, hot water).

### AMED

#### Day 3: 3 dives

- After breakfast, check out of the hotel and depart for Amed ( $\pm$  30min drive).
- We will head to our first dive, on the Bunutan site, via "Jukung" - a traditional Balinese fishing boat.
- Return to the dive cafe for the surface interval.
- The second dive at the Amed Wall has a mix of looking in the blue and exploring the magnificent shallow coral garden.
- Lunch will have an ocean view and is followed by time to relax in the swimming pool.
- The third Jukung dive is at Pyramid, Amed's first eco-project, with around fifty richly colonized pyramid structures next to a pretty coral garden.
- Return to your Tulamben hotel.
- Dinner at a local warung (not included in our rates).
- Night at Tulamben Hotel.

### NUSA PENIDA

#### Day 5: 3 Dives

- Pick up from your Sanur hotel to take you to Bali Aqua Sanur Dive Center and on to Sanur jetty by air-conditioned vehicle (5 minutes).
- Board our speed boat for the first dive at Manta Point, dive with manta rays at a cleaning station, an unforgettable dive!
- Surface interval on the boat in Crystal Bay.
- The second dive is at Crystal Bay (depending on conditions). A site known worldwide for the frequency of encounters with the mola-mola and crystal clear visibility and much cooler water.
- Lunch on the boat.
- Third dive on north of Nusa Penida. A drift on the coral plateau, rich in fauna and color with a chance of pelagics.
- Return to the dive center in Sanur and on to your Hotel or villa (Not included in the prices).

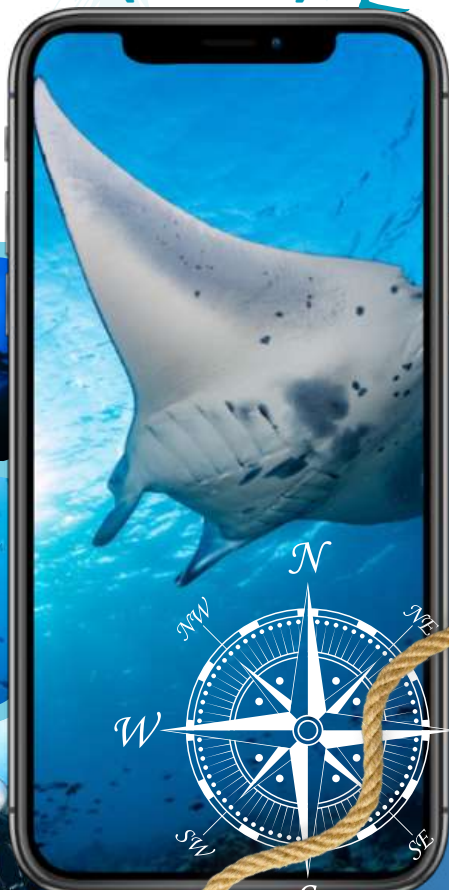

### GILI MIMPANG/TEPEKONG

#### Day 4: 3 dives

- Early departure after breakfast to Padang Bai ( $\pm$  1 hour).
- Upon arrival on Padang Bai beach, your guide will take care of all logistics to prepare for our dives.
- Depart on traditional outrigger boat to Gili Tepekong and Mimpang islands ( $\pm$  30 minutes).
- First dive at Gili Mimpang with its drop-off. It is not uncommon to encounter small reef sharks and not rare to see the incredible Mola-Mola (in season).
- Surface interval on the boat with snacks, coffee, and tea.
- Second dive at Gili Tepekong, a much more diverse dive site but sometimes also challenging to explore!
- Return to Padang Bai for lunch.
- Third dive on a nearby Padang Bai site. Your guide will select the perfect site based on the conditions of the day.
- Return to the dive base for transfer to your Hotel in Sanur (dinner not included in our rates).

For the Gili Mimpang and Gili Tepekong sites, you are required to be at least Level 2 or Advanced Open Water. Your guide will assess your level on the first day and advise if it is better to do the dives in Padang Bai or Gili Mimpang and Tepekong.

- **Amed Pyramid**
